United States Department of State

Washington, D.C. 20520

JUN 23 2003

Dear Mr. Speaker:

Pursuant to Section 36(c) of the Arms Export Control Act, I am transmitting, herewith, certification of a proposed technical assistance agreement for the export of defense articles or defense services sold commercially under a contract in the amount of \$50,000,000 or more.

The transaction contained in the attached certification involves the export of technical information, hardware and services to Israel to support the development of the Israeli Arrow Weapon System (AWS) Program and Modified Arrow Radar Seeker (MARS) Program.

The United States Government is prepared to license the export of these items having taken into account political, military, economic, human rights and arms control considerations.

More detailed information is contained in the formal certification which, though unclassified, contains business information submitted to the Department of State by the applicant, publication of which could cause competitive harm to the United States firm concerned.

Sincerely,

Paul V. Kelly
Assistant Secretary
Legislative Affairs

Transmittal No. DDTC 038-03

The Honorable

J. Dennis Hastert,

Speaker of the House of Representatives.
